

OFFICIAL COMPANY INFORMATION

Company Profile

A connected digital platform for commerce, travel, payments, and everyday services.

Company overview

BoominSquare is a connected digital platform bringing commerce, travel, utility payments, and business opportunities into one accessible experience. The company is building infrastructure that helps customers get more done and enables vendors to reach and serve a wider market.

The problem we are solving

Consumers and growing businesses often navigate fragmented platforms for shopping, travel, payments, and digital services. BoominSquare brings these journeys together in a simpler, trusted environment.

Mission

To make essential products, travel, payments, and everyday digital services easier to discover and access through one connected platform.

Vision

To build a trusted digital ecosystem that expands access, opportunity, and convenience for people and businesses across Africa.

Core services

- Online marketplace
- Flight booking
- Utility and bill payments
- Vendor commerce tools
